

## SEEK ADMISSION IN MAIN LINE LEAGUE

### NARBERTH AND BRANDYWINE ASK FOR FRANCHISES— FOUR CLUBS POST FORFEITS

(From Thursday's Public Ledger.)

The interest manifested at the monthly meeting of the Main Line Baseball League held last night indicates that when completed the circuit will be one of the best in this vicinity. The clubs of last season represented at the meeting were R. G. Dun & Co., champions of the league, represented by Manager Albert Bertsch; Autocar Club, of Ardmore, Charles Barker; Union A. A., of Lansdowne, Isaac H. Rhoades; J. & J. Dobson, Robert Calhoun and his premier twirler, Charles Block.

President Charles A. McCrea presided. Other officers present were First Vice-President A. A. W. Canizares, Second Vice-President Murdo MacKenzie, Treasurer Charles E. Clay. The four clubs represented all posted their guarantee money for franchises in the circuit for the 1919 season.

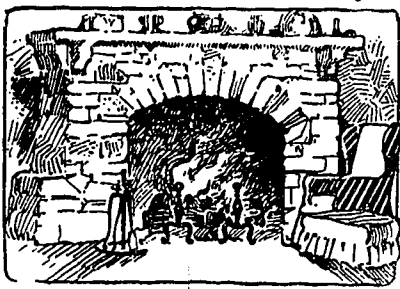

Application was made for membership on behalf of the Narberth Athletic Association by Manager Frederick Walzer. Narberth, a three-time champion of the league, always was a good baseball town, and gave the fans a formidable club and only retired from the league under the pressure of war conditions. It is anticipated that Narberth will have a new athletic field this season and have such former players as

Langdon, "Nig" Koons, Flick Stites, Dick Wallace and Vernon Fleck as a nucleus for a good team.

The Brandywine club, recently reorganized in West Chester, was represented by its president, John Clower, and Secretary Alger C. Whitcraft, and applied for membership in the circuit. This club has been chartered and should give the Chester County fans real sport. Its new manager, Fred Stamler, is known to the Main Line fraternity. He was a catcher with the Union A. A., of Lansdowne, under Manager Rhoades.

The Wayne Club has failed to indicate a willingness to participate in the league, notwithstanding that town had the banner attraction last season when represented by the United States Marine team.

The applications are to be given due consideration by the membership committee, consisting of Messrs. Barker, Rhoades, MacKenzie and McCrea. The league will play two seasons, the first closing on July 4, with morning and afternoon games, and the last half closing on Labor Day. There will be a twenty-game schedule, allowing Saturdays in September for the championship series between winners of first and last halves.

## THE FIRESIDE

Mr. Harry B. Wall is able to be around after a severe attack of rheumatism.

J. Howard Jefferies is on a business trip to the Middle West.

Mrs. S. A. Rudolph, 2nd, and new daughter, Jean, are spending some time in Atlantic City.

Mr. S. K. White has sold his house at Essex and Merion avenues and will move to Philadelphia.

Mr. J. Frazier Purse has bought a pair of houses on Elmwood avenue, one of which he will occupy on April 1st.

Mr. and Mrs. George H. Gifford, formerly of Woodside avenue, are at St. Petersburg, Florida.

Don't forget to hold Friday evening, April 25, for the Scout Minstrel Show and Dance.

Mr. and Mrs. C. H. Churchill are leaving Woodside avenue, Narberth, for Wilkes-Barre, Mr. Churchill having been transferred to that town.

Friends of Mr. and Mrs. David Smith and family regret to learn that they are leaving Narberth. Mr. Smith's business calls him to New York.

Miss Bertha Piggott has returned to her home in West Brattleboro, Vermont, after spending some time with friends in Narberth. Miss Maizie Simpson accompanied her.

The Fortnightly Club, together with several guests, was entertained on Tuesday evening by Mr. and Mrs. Edward G. Schaubert. Mr. Schaubert gave an illustrated lecture on the arts of ancient Greece.

Mr. and Mrs. J. Earle Clarke, of 331 Dudley avenue, entertained on Thursday Dr. and Mrs. John Axford Higgins, of the Ninth Presbyterian Church of Philadelphia.

Mr. and Mrs. Albert Grant Stephenson, of Grayling avenue, have returned to Narberth from a short stay at the St. Charles, Atlantic City.

The gardeners who had plots in the Anthwyn Farms tract last year are looking up their garden tools and purchasing seeds for another season of pleasure and profit.

The Ladies' Aid Society of the Methodist Church will hold a Home Bake of cakes, pies, bread, etc., at the Old Post Office this Saturday, March 22nd, from 11 to 2 P. M.

The Deacons, Elders and Trustees of the Presbyterian Church will make a canvass of the entire congregation next Sunday afternoon for the "New Era Victory Campaign." Every Presbyterian Church in the United States is expected to make a similar canvass next Sunday.

To fill the unexpired term of the late Squire McClellan, Governor Sprout will shortly appoint a Narberth man for the vacancy. Mr. Vincent F. Cunningham is a candidate for the honor and should

make an efficient and worthy Justice.

A great majority of the people of Narberth would certainly approve of the appointment and would congratulate the State, the Governor, the county, the borough and "Squire" Cunningham.

Evening worship will be resumed in the Presbyterian Church next Sunday at 7.45 o'clock. The change from the afternoon meeting is made on account of the "Every Member Canvass" next Sunday afternoon. The encouraging attendance at the Vesper services would seem to warrant a return to the afternoon hour next winter.

Reserve the evening of April 12th! On that date the Annual Senior Play will be given. The class of '19 will present, under the supervision of Miss M. L. Boynton, a college farce in three acts called, "A Strenuous Life." Do not fail to be on hand, as those who have missed this same play elsewhere have been badly disappointed. The admission will be fifty cents, including a dance which will follow the play.

Short course for Home Service Workers by Miss Elizabeth Wood, Field Director of Southwestern Division Home Service Section, American Red Cross, consisting of seven lectures, starting Wednesday, March 26th, 3 to 4.30 P. M. Pupils should apply as promptly as possible to Red Cross headquarters, Main Line Branch No. 1, Norris and Montgomery avenues, Bryn Mawr, Pa.

Come to the Dollar Limit Sale (positively nothing over one dollar), at the Old Post Office Building, Saturday, March 29th, beginning at 11 o'clock. You will find cakes, candies, pies, peanuts, children's grab bag, useful articles of numerous kinds and splendid values, all at reasonable prices. The sale is given by the Junior Evangel Circle of the King's Daughters, and every cent goes to charity.

"For Freedom," with William Farnum in the leading role, will be shown at the Palace Theatre, Ardmore, on Wednesday. The story is based on the world's great war and the battle scenes are enacted in the trenches and "No Man's Land" with great realism. The powerful story gives Farnum every opportunity to extend his ability as an actor. (Continued on Page 3.)

Also sweaters and socks for the soldiers MUST be returned this month. Wool given out by Mrs. Redifer.

### BOYS TO REGISTER.

A register is being prepared and when completed will be available at the Post Office for all the Narberth boys who have returned from the service and for those who are still to come. ### CARD PARTY NEXT TUESDAY.

Next Tuesday, March 25th, at 2 P. M., there will be a Benefit Card Party of bridge and five hundred at the residence of Mrs. H. A. Jacobs, 3 Elmwood avenue. The tickets are only 35 cents. Special efforts are being made to make this an interesting afternoon. Tickets may be obtained from Mrs. Charles Verna or Mrs. H. A. Jacobs. Proceeds are for the Woman's Community Club.

### COMMUNITY CLUB DANCE.

By a Member.

The Hospitality Committee of the Women's Community Club extend their thanks to all who in any way helped to make their dance a success. St. Patrick's night arrived at last, and a large crowd, in their best bib and tucker, wended their way to Elm Hall, which they found in festive attire, the stage beautifully decorated with palms, pussy willows and forsythia.

The exhibition dances were given in the very best professional style, and Roger and Roger proved to be our own "Gussie" Witherow with Mr. Roy McCall, and, believe me, they are "The Castles'" superiors.

The elimination dance was won by Mr. and Mrs. Carl Metzgar.

Then the distribution of souvenirs, some more dances and homeward bound.

## Stop! Look! Listen!

## EDITORIAL

### A REAL HOME GUARD.

Narberth is to be congratulated on having at the call of the people a really competent organization such as our Home Guard.

During the recent epidemic of burglary, or wave of crime as it might be called, our Home Guard has voluntarily and without cost to the citizens, organized a careful and systematic patrol of all streets within the Borough limits. Until conditions become normal again the patrol will be continued every night after sun down.

Anyone wishing additional protection, as in the case of a house being vacant during the evening or ladies arriving on late trains without escorts, can call Narberth 1289, where members of the Home Guard will be on duty at all hours.

The Guard is co-operating with Constable Walzer, who in turn is receiving the support and co-operation of Captain Donaghy, of the Lower Merion police.

Members of the Guard are all sworn in as Deputy Constables and carry police sticks, blackjacks, whistles and badges furnished through the courtesy of Captain Donaghy, as well as firearms furnished by the members themselves.

There have been no robberies since the patrol has been active, nor is there any likelihood of any while the Guard is on duty, although several suspicious characters who could not give an account of themselves were arrested.

It is no small matter for the members of the Home Guard to devote their time and efforts on work of this kind for the protection of the Borough, and Captain Hartley and his men certainly should be appreciated as a welcome and necessary organization.

To the Editor of Our Town:

Mr. Wohler (August Evergreen) is wearing a new watch charm, a small golden goat, and says it is the Cub's goat, but that it is not gold, only brass, for he has had it assayed. His admiring friends have presented him with a gold medal for getting the Cub's goat, and he regrets that he cannot wear them both at the same time, so he has the medal attached to his watch fob, and the goat to a chain (for cause). He wears the goat the first four days in the week, and the medal on week ends.

M.

To the Editor of Our Town:

Oh! Mr. Cub, or Mrs. Cub, who wields the eloquent pen in a facetious way to the interest and amusement of all readers of Our Town.

In last week's issue he spoke of a "howdy-do" and asked for an explanation of the Home Guards' authority to act as police.

A close reading of his article shows that he is really all praise for the Home Guard Police, who patrol the streets at all hours of the night, without pay or glory, for the protection of the rest of us.

But he seems to be speaking as a mouthpiece for others who are not interested in or familiar with doings in the borough and who have allowed their hammers to sling in the direction of our loyal Home Guard. Perhaps if some of these were to volunteer to do police duty they would be more familiar with the questions of duty and authority.

As a matter of fact, at the beginning of the war the Legislature of the State of Pennsylvania passed an act creating a body of Pennsylvania Home Defense Police, each county as a separate district presided over by one chief. The Montgomery County district is in charge of Captain Donaghy, Chief of the Lower Merion Police.

At the solicitation of Captain Hartley, of the Narberth Home Guard, Chief Donaghy came to Narberth and through Constable Walzer swore in the Narberth Guard as a unit of the Montgomery County branch of the Pennsylvania Home Defense Police. They are subject to call in Montgomery County, and can summon aid from any part of the county where such organization exists.

With the authority vested in them by the Pennsylvania State Legislature, they may make an arrest without warrant at any time, which cannot be done by any other police except under certain conditions.

Captain Donaghy has congratulated the Narberth Guard on their prompt action and praises our Guard for being the first on the job along the Main Line.

As additional information we might add that the President of Councils and two members of the Police Committee were quite familiar with the Home Guard Patrol and approved of the plan. So please may we have the little hammers tied against the wall where they belong, and please, Mr. Cub, remember that Our Town is a booster paper, although little knocks are permitted as long as no real harm or misunderstanding results, and we trust that we shall have the pleasure of reading more "Cub Stuff" in the issues to come.

"BOOMERANG."

#### QUIET MOMENTS.

We all should have those quiet moments. Just to linger and think of the past. Just to go over what we have done, And see if it is what God would have asked.

Not to sit and repine,  
Not to think of sorrow all the time,  
But just those quiet moments in which to think,  
Have I done wrong or have I done fine?

When those quiet moments have expired,  
When we must think of them no more,  
When with a new vigor we are inspired,  
We return to our daily task as before.

A NARBERTH BOY SCOUT.

The young man who wants to marry happily should find a good mother and marry one of her daughters.

Opportunity knocks at every man's door, but the man is often down street telling some one about the chances he has missed.

## SCHOOL NOTES

In Memory of  
DR. NATHAN C. SCHAEFFER  
Superintendent of Public Instruction  
Commonwealth of Pennsylvania  
for  
Twenty-six Years  
Died March 15, 1919

A ten-minute talk on Dr. Schaeffer and his work was given on Monday morning by Mr. Melchior. This was followed on Tuesday by an instructive outline of the organization and functions of the State Department of Education, with particular reference to its relations to our local schools.

During the past two weeks several periods were given to hearing reports of the National Convention of the Department of Superintendence. Such topics were chosen as were of interest to the student body. Of particular interest were the discussions of modern tendency in school music, pupils' extra activities, physical training, practical English and school morals.

If anyone thinks our High School faculty ladies are not true sports, ask any pupil, Miss Cross, or the Principal about the special musical number on Monday's program. Incidentally, we fellows learned a good lesson in "Obedience." Precept is good; example is better for school morals. Few of us ever have a harder job given us than the ladies had—but they never flinched, and best of all, they "came across" cheerfully.

Query: Who is author of the new song, "We didn't want to do it, but the King he told us to?" Gilbert Ford says: "It sounds like the cheese balls look." A good author and a good architect are rarely found in one person—but then, we have a few rarities in our faculty.

By the way, speaking of cheese balls, the boys of the basketball team say they tucked away a fair little dinner on Monday evening at the home of the Principal. But, oh my! Even then and there that injunction came, "Don't be out late on school nights." So the digestion was merrily progressing by 9 P. M., with every fellow at home.

#### NOTES AND COMMENTS

By Invictus.

Some comment has been made concerning the identity of "Invictus," and the blame has been placed on several upper classmen. Haven't you ever noticed the old man with gray whiskers stealing around the halls during class hours? Well, that's us!

We note with pleasure that Ed. Coggeshall is still with us. We heard that he had received an offer to tour the country, singing duets with Caruso. Glad you refused, Ed., even though you have such a fine voice!

The wail of the Senior boys after June 11: "Jamais, non jamais, elle ne serait a moi!"

Here is one for the Geometry or Trigonometry classes: "What day in the twentieth century was Pie Day?" Anyone sending a correct solution to the office by Tuesday will get a vacation the last week of June.

Walton (in lunch room): "This chocolate pudding tastes like the cocoa for the past two weeks—boiled down."  
Florence Haaf: "Cocoa don't boil down; it boils over."

The Junior version of the memory gem for Room I:

If you don't, Miss Cassel gets you,  
Then you have to stay.

#### How About School Spirit?

Our team has two more games to play. They're the last we'll see this year. The fellows will win in their usual way. For them we need have no fear.

But how about we in the galleries, Who never cheer as a rule? If we can't show any more pep than that, We shouldn't be in the school.

So, why can't we all get behind them, And each one of us show he's a sport? The boys can play best, and can beat all the rest, If they know that they have our support.

## Scout News

Regular weekly meeting of the B. S. A. was held at Elm Hall 7.30 P. M. Tuesday evening, March 18, 1919. An invitation was received from the Bryn Mawr Troop wishing the attendance of as many Scouts from our Troop as possible to hear a lecture from a famous big game hunter and aviator. About fifteen signified their intention of accompanying our Scoutmaster to this event. Meeting was closed to practice for the Minstrel Show, which is to be held April 25. Several new specialties have been introduced by our Scoutmaster to be staged during the show. This is to be a rare treat to the people of Narberth and vicinity, as Mr. Fred C. Patton, our leader and Scoutmaster, is a veteran at producing shows of this nature. It was announced that tickets would be 35 cents and 50 cents, for children and adults respectively.

Our eminent professor of vivisection, R. D. Smedley, is about to leave our presence for a sojourn at Atlantic City, where he expects to visit the Curtiss airplane factory. It is expected that he will tender several important plans to Mr. Curtiss to affect the faulty building (?) of his airplanes.

Scout Brown, of our Troop, who is the smallest scout with largest voice, is expected to become a second-class scout in a short time. He is rapidly advancing in scout work and it shows that even though he is small in stature he is of large capacity pertaining to wisdom.

Wednesday, 8 P. M.—Mid-week Song and Prayer Service.

Subjects of Sunday's sermons will be: A. M., "The Christian Religion and a League of Nations;" P. M., a sermon on Alaska, illustrated with lantern slides.

Last week a telegram from Washington brought the sad news that Norman B. Brown, a member of our Bible School, with the Army of Occupation in Germany, had died of pneumonia.

Friends and members of the church will be pleased to know that Miss Anna Monroe, of Philadelphia, has been secured as organist of the church. She comes with a very good record and her trial with us a short time ago was most satisfactory.

(Written for Our Town.)

Now the War of wars is over,  
And the boys are homeward bound;  
Soon they'll be upon the clover  
To receive our welcome sound.  
Shall we stand and let them enter,  
After all they've done so true,  
Or shall we make our town a 'center'?  
Narberth folks, it's up to you.

actor, and it is fair to say he jumps at every chance with fire and vigor.

The Needlework Guild will meet at the Presbyterian Church on Tuesday, March 25th at 10 A. M., to sew with the members of the Ladies' Aid. Won't you make an especial effort to be there? We are accomplishing a great deal and believe each member would enjoy being with us. The Needlework Guild of America is sending as many sewing machines as possible to St. Quentin. We are happy to say Narberth's Guild is sending a new Singer. This was bought out of the proceeds of our Cake Sale.

Mrs. Frank H. Prescott entertained the "Thursday Review Club" at her home, 226 Essex avenue, on Thursday last at a luncheon. Covers were laid for eighteen members and guests, including Mrs. William E. Lupton, Mrs. E. Horn, Mrs. E. Hackman, Mrs. Amos Johnson, Mrs. A. J. Koch, Mrs. I. S. Merrill, Mrs. Frank Gray, Mrs. William S. Blakeley, Mrs. G. B. Burns, Mrs. Charles E. Kreamer, Mrs. Mullineaux, 2nd, Mrs. Harry Miller, Mrs. H. Reutshlin, Mrs. J. Mullineaux, 3rd, Mrs. H. Showaker, Mrs. N. D. Streeter, Mrs. Harry Hartley, Miss Ruth E. Prescott.

It is the desire of the Board of Directors of the Narberth Y. M. C. A., realizing the great sacrifice made by the boys who enlisted in the service of our country, to give them a complimentary membership in the Association for one year from the date of their discharge. They have fitted up a room for their special use one evening in the week. A special Secretary will be in attendance to look after their interests and help them to become a real part of the Association. If the boys or their friends will communicate with W. C. Poor, or Henry M. R. Bowen, General Secretary Y. M. C. A., membership tickets will be delivered promptly.

**LOCAL BOY WINS FOUL GOAL  
THROWING CONTEST.**

Last Thursday afternoon, at the Germantown High School, a foul goal throwing contest was held for boys of the suburban high schools. John Dickie, of Narberth High, took first place, outscoring the crack shooters from all the big schools of the Philadelphia suburbs. There were entrants from Wenonah Military Academy, Peddie Institute, Woodbury, Radnor, Swarthmore, Doylestown, Haverford, Jenkintown, West Chester and many other schools.

Dickie made 11 goals out of 13 tries. He won a gold medal.

**NARBERTH HIGH WINS AGAIN.**

Narberth High's basketball team won another big victory last Thursday evening by a score of 58 to 35. Downingtown High School was the loser. This gives Narberth the championship of the Main Line, previous victims of the local quintette being Lower Merion and Radnor. This is Narberth's twelfth victory out of the fourteen games played. Such a record has never before been made for the local school.

In the Downingtown game, Dickie, of Narberth, and Francella, of the visitors, each made ten field goals. Jenkins, of Narberth, made seven. The guarding of Harsch and Martin, of Narberth, featured.

Widow of Army Aviator Selected to Act as Vessel's Sponsor.

Mrs. Norton Downs, Jr., accepted the invitation of the Main Line Liberty Loan Committee to serve as sponsor when the ship to be named by the committee is launched at one of the Delaware River shipyards, says a message from Merion.

Mrs. Downs was chairman of the Merion Woman's Committee in the last loan campaign and is the daughter of Mr. and Mrs. Henry Chapman Thompson, with whom she is living.

Her husband was Lieutenant Norton Downs, an aviator, who was killed October 23, 1918, when an airplane in which he was flying from London to Paris fell in the English Channel.

GEORGE W. BRADEN TALKS AT  
THE Y. M. C. A.

Narberth was given a real treat last Friday night, when Mr. George Braden gave an illustrated lecture on "Trenches and Trench Warfare," the first of a series of lectures under the auspices of the educational committee of the Y. M. C. A., entitled "America at War." This was the first showing of the slides taken by the U. S. Signal Corps, and the knowledge that Mr. Braden has of military affairs afforded the audience a very instructive and entertaining talk. A new booklet of "Victory Songs" was introduced before the lecture and during the intermission and proved quite popular.

The next lecture was scheduled for March 28th, but since this will conflict with the musical entertainment to be given under the auspices of the Senior Class at school, the next talk will be given Thursday, March 27. The title of this lecture will be, "Flying for America," delivered, if possible, by a local man who has seen service in this branch.

If you were unable to attend the last lecture, be sure to keep Thursday, March 27, open and come early to get a seat and join in the Liberty Sing that precedes each lecture.

The schedule of the remaining lectures is as follows:

Thursday, March 27, "Flying for America."

Thursday, April 10, "The American Navy."

Thursday, April 24, "Transporting the Army."

### DAYLIGHT SAVING MEASURE OPPOSED BY PENNA. FARMERS.

Strong protests against the proposed daylight saving regulation for the coming summer were expressed at State College, Pa., by the hundreds of Pennsylvania agriculturists attending the annual Farmers' Week conferences. They unanimously adopted a resolution opposing the measure, and R. L. Watts, dean of the Pennsylvania State College Agricultural School, sent it to Washington.

The farmers contended the daylight saving program was a hardship to them. As a wartime measure, they declared, they had abided by the regulation last summer without complaint, but they were opposed to its resumption for the reason that they lose valuable time early in the mornings when the soil and crops are too wet with dew to permit working.

### PLANTING TIME IS HERE.

Garden seeds on sale in Old Post Office Building on Saturdays from 3.30 to 5 P. M., at reduced prices, by the Women's Community Club of Narberth.

This effort on the part of this organization nets them nothing financially, as the seeds are sold to you at the prices for which they are bought—those in larger quantities at wholesale, others at the market gardener's price, each being less than it is possible for the average purchaser to procure.

The object in the above is to stimulate interest in home gardens, which is just as essential now as when our country was engaged in active warfare.

So far we have observed very little recession in prices and it is very easy to predict a higher price in the fall if we do not continue to produce. Your small garden will help to keep the prices down. We can't conserve if we don't produce.

The name of the recipient will be engraved thereon.

### MAIN LINE TO NAME SHIP.

Wins Honor for District Because of Record With Loan Drive.

Because of its record in the last Liberty Loan Campaign the Main Line Liberty Loan Committee has been informed that the district has won the honor of naming a ship which will be launched soon and of selecting a sponsor. This notification was contained in a letter from E. McLain Watters, chairman of the Advisory Committee for Pennsylvania, to David S. Ludlam, chairman of the Main Line Committee.

Representatives of the various Main Line sub-divisions met at Ludlam's office recently and selected the name, Liberty Land. An alternative selection was Liberty Light. It was required that the word Liberty should precede the rest of the name. A sponsor has not yet been selected. The suggestion will go to Washington for approval and, if adopted, one of the ships now building at Hog Island, Chester or Bristol will bear the name and will stand for the Main Line district.

The opportunity for the Main Liners comes at a good time, as they already are looking forward to the next campaign, in which the big and wealthy suburban district has no intention of "falling down."

### WAR STAMPS.

To invest in War Stamps is not only a patriotic duty which all of us should regard, but it is an investment which cannot be beaten because of the rate of interest paid and the privileges connected with it. Union County, Pa., has purchased \$3.19 per capita for 1919, and three months of the year have not passed. Montgomery County has purchased \$.55 per capita and Narberth \$.85 per capita. The good patriotic people of our town should give proper attention to War Stamps.

### NARBERTH TEMPERATURES.

Comparisons between the temperature at Narberth and Philadelphia bring out some unexpected results. One would naturally suppose that the maximum temperature of each day in Narberth is about 3 degrees lower than Philadelphia. An examination of the data below will show that such is not the case. That there is a considerable difference between the two places is true, but if the average temperature of each place is taken and compared, the difference in question is masked and leads to an erroneous impression. To bring out this difference so that it will demonstrate

as clearly as possible how it was attained, the average temperature has been split up into its component parts, the data for the average maximum is shown in one table and the minimum in another. The first table is the average maximum, in degrees and tenths, for the past six months:

Narberth.	Phila.	Difference.
Sept. ....	73.4	73.7 —0.3
Oct. ....	69.3	69.1 Plus 0.2
Nov. ....	53.3	53.9 —0.6
Dec. ....	46.4	47.0 —0.6
Jan. ....	44.0	44.5 —0.5
Feb. ....	42.1	44.0 —1.9
Averages...	54.7	55.3 —0.6

Which indicates Narberth is only a little more than 1/2 degree cooler than Philadelphia when the highest temperatures prevail. Notice the exception in October, when Narberth was 2/10 of a degree warmer than the city.

The average minimum table follows:

Narberth.	Phila.	Difference.
Sept. ....	51.6	56.5 —4.9
Oct. ....	46.9	52.2 —5.3
Nov. ....	36.2	41.4 —5.2
Dec. ....	30.7	34.8 —4.1
Jan. ....	26.7	30.9 —4.2
Feb. ....	26.8	31.1 —4.3
Averages...	36.4	41.1 —4.7

This table shows that Narberth is very nearly 4 1/4 degrees colder than Philadelphia during the period when the lowest temperatures are experienced. The difference begins to show almost as soon as the sun is down, as thermometer readings at 8 P. M. are well below those at the same hour in Philadelphia. Thermometers with a window exposure will show higher results than the above tables, probably from 3 to 5 degrees, depending on the character of exposure, and would thus make Narberth appear to be warmer than Philadelphia.
